10. PAYMENT OF PREMIUMS AND GRACE PERIOD

Premiums are payable to the Company on the due dates specified in the Schedule . The payment mode can be changed subsequently, upon receipt by the Company of the Policy Holder's written request , provided that such change shall become effective only on the Policy anniversary date following the receipt of such notice by the Company. Change sought to payment mode will lead to a revision in the Modal Premium.

A grace period of 30 days without interest will be allowed for payment of every Premium after the respective due dates. During the grace period the Policy will continue to be in force but in the event the Life Insured dies during the grace period, the Company shall be entitled to deduct the unpaid Premium from the Benefits payable under the Policy. If any Premiums remain unpaid at the end of the grace period this Policy will go into Non-Forfeiture in accordance with Section 14, with effect from the last due date of such unpaid Premium.

11. REINSTATEMENT OF POLICY IN NON-FORFEITURE UNDER SECTION 14

The Company, upon written request from the Policy Holder, and on production of satisfactory evidence of insurability (cost to be borne by the Policy Holder), may at its discretion reinstate this Policy, only if the Policy is under non-forfeiture and has not lapsed with no value, on such terms and conditions as are applicable at the time of reinstatement. Subject to payment of applicable reinstatement charges, reinstatement may be done at any time after the expiry of grace period but within the Policy's reinstatement time limit (which may be decided by the Company from time to time).

12. CASH SURRENDER VALUE

After the Policy has been in force for at least three years and provided all the Premiums have been paid for three full years, then the Company will grant a cash surrender value which will be not less than 30 % of the Premium(s) (excluding the first year's Premium) received. The cash surrender value payable will be subject to the condition that the Policy is in full force and that there are no statutory or other restrictions to the contrary. Indebtedness, if any, to the Company will be deductible from the cash surrender value.

13. POLICY HOLDER BONUS AND BONUS OPTIONS.

No bonus is payable for the first two policy years. Thereafter, a bonus as declared by the Company, will be paid, from the surplus arising from the actuarial valuation of the participating life insurance fund. The amount of bonus to be paid will be as determined by the Company's Appointed Actuary.

Bonus options selected by the Policy Holder are as per the Proposal.

14. NON – FORFEITURE OPTIONS on NON- PAYMENT OF PREMIUMS.

If the Premiums for at least three full years have been paid, and provided there is no indebtedness to the Company then the minimum non-forfeiture benefit will be a reduced paid up policy, the amount of which will be the larger of (a) and (b) where :

(a) is :

$$\frac{\text{total Premiums paid}}{\text{total number of Premiums required}} \times \text{original Sum Insured}$$

b) is the amount of paid up insurance which can be purchased by the cash surrender value.

If at any time the outstanding indebtedness exceeds the cash surrender value of the paid up policy, the paid up policy will lapse.

In addition, the following option will also be available to the Policy Holder.

Extended Term Insurance (ETI)

The cash surrender value (if any) net of indebtedness (“**Policy Value**”), will be used as a single Premium to buy Term Insurance equal to the current Sum Insured of this Policy plus the amount of existing Paid Up Additions (if any) for a term which the Policy Value can purchase. The maximum term for this ETI cannot exceed the remaining term of this Policy. Should the Policy Value be sufficient to buy a single premium Term Insurance for a term longer than the remaining term of this Policy, then such excess amount will be returned to the Policy Holder. Such ETI can be surrendered at any time but is not eligible for loans or bonus.

The term ‘lapse’ used in this document means expiration of coverage because the Policy Value is zero.

15. LOAN/S

After the Policy has acquired a cash surrender value it will be eligible for loan/s. The amount of loan and rate of interest thereon will be in accordance with the Company’s terms in force from time to time. Any loan granted will form a first charge against the Policy proceeds and will be deducted before any payment is made on the Policy.

At any point in time, should the loan and accumulated interest exceed the cash surrender value, the Policy will lapse.

Outstanding indebtedness, if any, shall bear interest at such rates as may be stipulated by the Company from time to time.

Notice of assignment or nomination (including any change thereof), should be submitted for registration to the Company. In registering an assignment or nomination, the Company does not accept any responsibility or express any opinion as to its validity or legal effect.

17. FULL DISCLOSURE

This Policy has been issued on the representation of the Policy Holder that he has made full disclosures of all relevant facts and circumstances. Any concealment, non-disclosure, misrepresentation or fraud by the Policy Holder shall render the Policy liable for cancellation and shall be grounds for the Company to avoid all or any liability. If it deems fit, the Company may also forfeit the Premium(s) received.

18. INCONTESTABILITY

Except for fraud, misrepresentation of any kind or non-disclosure or suppression of facts, this Policy will be incontestable by the Company after it has been in force during the life time of the Life Insured, for two years from the Date of Policy.

19. GOVERNING LAWS AND JURISDICTION

This Policy is issued in accordance with and shall be governed by and be subject to the laws of the Republic of India. The Parties shall be subject to the jurisdiction of the courts at New Delhi for all matters and disputes arising from, relating to or concerning the Proposal and this Policy.
