then, on the Date of Discontinuance, We will credit the Fund Value, by creation of Units, into the Discontinuance Policy Fund after deducting applicable Discontinuance/Surrender Charges. The risk cover under the Policy will cease and no further Charges will be levied by Us other than the Fund Management Charge applicable on the Discontinuance Policy Fund.

On the expiry of the Lock in Period, We will close the Unit Account and the value of Units in the Discontinuance Policy Fund as at that date shall be paid to You, unless You have exercised the option to revive the Policy within the Revival Period.

If You have chosen in writing the option to revive the Policy within the Revival Period, You may exercise any of the following options in writing during the Revival Period:

The Discontinuance/Surrender Charges deducted will also be added back to the Unit Account.

The amount of Regular Premium paid on revival, less any Premium Allocation Charges attributable to the Regular Premium paid on revival in accordance with the ratio in which the Regular Premium should be allocated in the Funds specified by You will be used to purchase Units at the Unit Price as on the date of revival.

An amount equal to the Policy Administration Charge falling due between the Date of Discontinuance and the date of revival will be levied on revival by cancelling Units in the Unit Account at their Unit Price.

(b) Complete Withdrawal from the Policy without any risk cover:

If You exercise the option of complete withdrawal, then, on the date of surrender, the following shall be applicable:

If the complete withdrawal option is exercised by You, the provisions relating to surrender of the Policy after the Lock in Period as per Clause 3.4 (b) will be applicable.

- c) convert the Policy into a Paid-Up Policy

If You choose the paid up option, the Policy will continue without any further premiums payable till the end of the Policy Term and all applicable Charges i.e. Policy Administration Charge, Mortality Charge and Fund Management Charge will continue to be levied. In this case, the Sum Assured will be the amount equal to the Sum Assured multiplied by the resultant of the total premiums received by Us divided by total premiums payable by You.. This reduced Sum Assured is called the ‘Paid up Sum Assured’.

A Policy once converted to a Paid-Up Policy can be revived during the Revival Period in accordance with Clause 5.8 (a) of the Policy. However, if the Policy is not revived during the Revival Period it will continue to be a Paid-Up Policy for the remaining part of the Policy Term.

We shall credit all the Guaranteed Loyalty Additions that would otherwise have been payable for the Revival Period in accordance with Clause 3.6 at the Fund Value prevailing on the date of revival.

If You do not exercise any option during the Revival Period, then at the expiry of the Revival Period, You will be deemed to have completely withdrawn from the Policy and the provisions of the surrender after the Lock in Period as per Clause 3.4(b) shall be applicable.

During the period up to the expiry of the Revival Period or the earlier exercise of any of the above options, the Policy will continue with full risk cover and all applicable Charges i.e. Policy Administration Charge, Mortality Charge and Fund Management Charge will be levied during the Revival Period.

(b) Complete Withdrawal from the Policy without any risk cover:

If You exercise the option of complete withdrawal, then, on such date, the provisions relating to surrender of the Policy after the Lock in Period as per Clause 3.4(b) shall be applicable.
