From the other four investment strategies You can switch to 'Self-Managed Portfolio Strategy' only.

2.1 SELF-MANAGED PORTFOLIO STRATEGY

2.1.1 You will have an option to choose the allocation into and out of any of the Funds mentioned in the table in Clause 1.1 of Part E above, except Secure Plus fund (SFIN: ULIF01628/04/09LIFESECCPLS104) and Discontinuance Policy Fund (SFIN: ULIF02021/06/13LIFESECCPLS104) as mentioned above.

2.1.2 Switching and premium redirection facility can be availed anytime under this strategy.

2.2 SYSTEMATIC TRANSFER PLAN

2.2.1. You may opt to exercise the systematic transfer plan only prior to the Date of Commencement of Risk where You have opted for Single Premium or annual mode for Premium payment; and

2.2.2. If the systematic transfer plan is in force, then We will automatically allocate the Premiums received (after deducting Premium Allocation Charge and applicable taxes, cesses and levies) to purchase Units in the Secure Plus Fund at the applicable NAV at that time. Immediately thereafter and on each subsequent Monthly Anniversary, the Fund Value of the Units available in Secure Plus Fund will be systematically transferred to the Growth Super Fund (as per the below

formula) by cancelling Units in the Secure Plus Fund, and purchasing Units in the Growth Super Fund on the applicable NAV at that time till the availability of Units in Secure Plus Fund as per the below formula:

$$[1/(13 \text{ less month number in the Policy Year})]$$

For example:

- Policy month 1: $1/(13-1)$ = 1/12th of the Units to be switched
 Policy month 2: $1/(13-2)$ = 1/11th of the Units to be switched
 Policy month 11: $1/(13-11)$ = 1/2 of the Units to be switched
 Policy month 12: $1/(13-12)$ = balance Units to be switched

- 2.2.3. You shall not be permitted to make partial withdrawals from the Secure Plus Fund during the period when this option is in force.
- 2.2.4. You shall not be allowed to redirect Premiums and effect switching of Units during the period when ‘Systematic Transfer Plan’ is in force.
- 2.2.5. You may opt out of the systematic transfer plan option anytime by giving Us a prior written request in which case the systematic transfer plan will cease to be effective from the subsequent Policy Anniversary upon which You will automatically be transferred to ‘Self-Managed Portfolio Strategy’ with choice of Your funds. Once You opt out of Systematic Transfer Plan, You may not opt for ‘Systematic Transfer Plan’ during the Policy Term.
- 2.2.6. For Single Premium variant, systematic transfer plan is applicable only for the first year and thereafter the Fund will remain invested in Growth Super Fund unless switched by You.
- 2.2.7. In case of revival of the Policy, the Premium received and the Fund Value in Discontinuance Policy Fund, if any, shall be allocated in Growth Super Fund. Upon receipt of next Premium, Systematic Transfer Plan will be applicable as stated hereinabove.

2.3 LIFECYCLE PORTFOLIO STRATEGY

- 2.3.1. You may opt to exercise the ‘Lifecycle Portfolio Strategy’ option only prior to the Date of Commencement of Risk. If this investment strategy is in force, the investments will be distributed between fund 1 and fund 2 with their proportions varying as per the different life stages. Fund 1 would essentially be an equity oriented fund whereas fund 2 would be a debt oriented fund. You may choose fund 1 and fund 2 from the available options as described below. Once chosen, the Fund cannot be changed throughout Policy Term.

Fund options for fund 1:

- Diversified Equity Fund (SFIN: ULIF02201/01/20LIFEDIVEQF104)
- Growth Super Fund (SFIN: ULIF01108/02/07LIFEGRWSUP104)
- Growth Fund (SFIN: ULIF00125/06/04LIFEGROWTH104)

Fund options for fund 2:

- Conservative Fund (SFIN: ULIF00325/06/04LIFECONSER104)
- Secure Fund (SFIN: ULIF00425/06/04LIFESECURE104)
- Secure Plus Fund (SFIN: ULIF01628/04/09LIFESECPLS104)

- 2.3.2. At the inception, the Premium (reduced by the Premium Allocation Charge and applicable taxes, cesses and levies) will be distributed between the two Funds as opted by you based on Age of the Life Insured. Thereafter, as per the Age of the Life Insured (as reckoned on each Policy Anniversary), on attainment of next Age band as per the table below, the Funds will be re-distributed accordingly:

Age last birthday	Proportion in Fund 1	Proportion in Fund 2
Up to 25	85%	15%
26-30	80%	20%
31-35	75%	25%
36-40	70%	30%
41-45	65%	35%
46-50	50%	50%
51-55	35%	65%
56 and above	30%	70%

- 2.3.3. On an annual basis (i.e. every Policy Anniversary), the Fund Value shall be rebalanced, if necessary, to achieve above proportions even if there is no change in the Age band. The rebalancing will be done on each Policy Anniversary except for the last year Policy Anniversary i.e. (Policy Term-1)th year.
- 2.3.4. In the last year of the Policy Term, the remaining investments from Fund 1 will be systematically transferred to Fund 2, in 12 installments to obtain fund conservation towards maturity. Units in the fund 1 will be transferred to Fund 2 on each subsequent monthly anniversary, by cancelling the Units in Fund 1 and purchasing the Units in Fund 2 (based on the applicable NAV at that time) and this shall continue till the availability of units in Fund 1, as per the below formula:

$$[1/(13 \text{ less month number in the Policy Year})]$$

For instance:

*In the last Policy Year of the Policy starting from 1st month:
 Policy Month 1: $1/(13-1) = 1/12$ th of the Units to be switched
 Policy Month 2: $1/(13-2) = 1/11$ th of the Units to be switched
 Policy Month 11: $1/(13-11) = 1/2$ of the Units to be switched
 Policy Month 12: $1/(13-12) =$ Balance Units to be switched*

- 2.3.5 If Premium is received on any date later than Premium due date or other than Policy Anniversary but before the expiry of Grace Period, it shall be allocated in the same proportion as applicable as per last Policy Anniversary.
- 2.3.6 You may opt out of this strategy option during the Policy Term by giving Us a prior written request, in which case this option will cease to be effective from the subsequent Policy Anniversary upon which You will automatically be transferred to 'Self-Managed Portfolio Strategy' with choice of Your funds. Once You have opted out, You cannot opt for this strategy again during the Policy Term.
- 2.3.7 No switches or premium redirections would be allowed under this strategy.
- 2.3.8 In case You opt for a partial withdrawal, withdrawal will happen from all underlying funds in the same proportion as the total Fund Value. You will not have any choice to opt for any specific Fund from which the partial withdrawal of Units is to be done.
- 2.3.9 In case of the Revival of the Policy, the Premium received and the Fund Value in Discontinuance Policy Fund, if any, will be allocated in the proportion applicable, in Fund 1 and Fund 2, on the last Policy Anniversary.

2.4 TRIGGER BASED PORTFOLIO STRATEGY

- 2.4.1 You may opt to exercise the trigger based portfolio strategy option only prior to the Date of Commencement of Risk. If this investment strategy is in force, any Premium received will be initially allocated between fund 1 and fund 2 in a 75%: 25% proportion. The Fund allocation may subsequently fluctuate due to market movements. In such case, Your portfolio will be re-balanced and the funds would be re-allocated based on a pre-defined trigger event which would be checked at every Monthly Anniversary of the Policy. You may choose fund 1 and fund 2 from the available options as described below, however, once chosen, the Fund options cannot be changed throughout the Policy Term.
- 2.4.2 This trigger event is defined as an upward movement of x% in NAV of fund 1, since the previous rebalancing. For determining the first trigger event, the movement of x% in NAV of Fund 1 will be measured vis-à-vis the NAV at the inception of the strategy in the Policy; where 'x' can be 10% or 15% or 20% as may chosen by You. The trigger event once chosen, cannot be changed during the Policy Term. On the occurrence of the trigger event, any Fund Value of Fund 1 which is in excess of three times the Fund Value of Fund 2 is considered as gains and is switched to the Fund 2. Such rebalancing ensures that gains are capitalized and protected from future equity market fluctuations, while maintaining the asset allocation between Fund 1 and Fund 2 in the proportion of 75%:25%. Fund 1 would essentially be an equity oriented fund whereas fund 2 would be a debt oriented fund. You may choose Fund 1 and Fund 2 from the available options as described below, however, once chosen, the fund options cannot be changed throughout the Policy Term.

Fund options for fund 1:

- Diversified Equity Fund (SFIN: ULIF02201/01/20LIFEDIVEQF104)
- Growth Super Fund (SFIN: ULIF01108/02/07LIFEGRWSUP104)
- Growth Fund (SFIN: ULIF00125/06/04LIFEGROWTH104)

Fund options for fund 2:

- Conservative Fund (SFIN: ULIF00325/06/04LIFECONSER104)
- Secure Fund (SFIN: ULIF00425/06/04LIFESECURE104)
- Secure Plus Fund (SFIN: ULIF01628/04/09LIFESECPLS104)

- 2.4.3 On the occurrence of the trigger event, any Fund Value of fund 1 which is in excess of three times the Fund Value of fund 2 is switched to the fund 2.
- 2.4.4 You may opt out of the strategy option during the Policy Term by giving Us a prior written request, in which case this option will cease to be effective from the subsequent Policy Anniversary upon which You will automatically be transferred to 'Self-Managed Portfolio Strategy' with choice of Your funds. Once You have opted out, You cannot opt for this strategy again during the Policy Term.
- 2.4.5 No switches or Premium redirections would be allowed under this strategy.
- 2.4.6 If Premium is received on any date later than Premium due date or other than Policy Anniversary but before the expiry of Grace Period, it shall be allocated into the two chosen funds Fund 1 and Fund 2 in a 75%: 25% proportion.
- 2.4.7 In case You opt for a partial withdrawal, withdrawal will happen from all underlying funds in the same proportion as the total Fund Value at that time. You will not have any choice to opt for the Fund from which the partial withdrawal of Units is to be done.
- 2.4.8 At the time of revival of the Policy, the Premium(s) received and the Fund Value in Discontinuance Policy Fund, if any, will be allocated into the two chosen Funds – Fund 1 and Fund 2- in a 75%: 25% proportion.

2.5 DYNAMIC FUND ALLOCATION

- 2.5.1 You may opt to exercise the dynamic fund allocation option only prior to the Date of Commencement of Risk. If this investment strategy is in force, switching of the existing Fund Value shall happen on the Policy Anniversary and We will automatically allocate the Premium received on the later of the date of receipt of the Premium or the due date of Premium and switch Units in the Funds on each Policy Anniversary, in a pre-determined proportion specified in the table below:

Policy Years to the Maturity Date	Proportion under Growth Super Fund	Proportion under Secure Fund
16 and above	80%	20%
11-15	60%	40%
6-10	40%	60%
0-5	20%	80%

- 2.5.2 If Premium is received on any date later than premium due date or other than policy Anniversary but before the expiry of Grace Period, it shall be allocated as per the proportion applicable on the last Policy Anniversary.
- 2.5.3 You shall not be permitted to make Premium redirections or switch Units between the Funds during the period when this option is in force.
- 2.5.4 In case You opt for a partial withdrawal, withdrawal will happen from all underlying Funds in the same proportion as the total Fund Value at that time. You will not have any choice to opt for the Fund from which the partial withdrawal of Units is to be done.
- 2.5.5 You may opt out of the strategy option during the Policy Term by giving Us a prior written request, in which case this option will cease to be effective from the subsequent Policy Anniversary upon which You will automatically be transferred to 'Self-Managed Portfolio Strategy' with choice of Your funds. Once You have opted out, You shall not be permitted to recommence the strategy during the Policy Term.
- 2.5.6 In case of revival of the Policy, the Premium received and the Fund Value in Discontinuance Policy Fund, if any, will be allocated in the proportion as per the Age of the Life Insured as on the last Policy Anniversary.

Section 45 – Policy shall not be called in question on the ground of mis-statement after three years

Provisions regarding policy not being called into question in terms of Section 45 of the Insurance Act, 1938, as amended from time to time are as follows: 1. No Policy of Life Insurance shall be called in question on any ground whatsoever after expiry of 3 yrs from a. the date of issuance of policy or b. the date of commencement of risk or c. the date of revival of policy or d. the date of rider to the policy, whichever is later. 2. On the ground of fraud, a policy of Life Insurance may be called in question within 3 years from a. the date of issuance of policy or b. the date of commencement of risk or c. the date of revival of policy or d. the date of rider to the policy, whichever is later. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based. 3. Fraud means any of the following acts committed by insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy: a. The suggestion, as a fact of that which is not true and which the insured does not believe to be true; b. The active concealment of a fact by the insured having knowledge or belief of the fact; c. Any other act fitted to deceive; and d. Any such act or omission as the law specifically declares to be fraudulent. 4. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the insured or his agent keeping silence to speak or silence is in itself equivalent to speak. 5. No Insurer shall repudiate a life insurance policy on the ground of fraud, if the insured / beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the policyholder, if alive, or beneficiaries. 6.

Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the policy of life insurance is based. 7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation. 8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance policy would have been issued to the insured. 9. The insurer can call for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.

Where nomination is intended to be made to spouse or children or spouse and children under Section 6 of MWP Act, it should be specifically mentioned on the policy. In such a case only, the provisions of Section 39 will not apply.
