Settlement Option	You may, at least 15 days prior to the Maturity Date, opt for a Settlement Option, pursuant to which the Company will continue to manage the Funds for you for a maximum period of 5 years from the Maturity Date and make periodic payments. During the settlement period, Fund Management Charges shall continue to be levied. There shall be a risk cover equal to 105% of the total premiums paid for a period not exceeding 5 years from the maturity date and mortality charges will be deducted basis the sum at risk. You may exercise switch option during settlement.
Surrender	Where the product acquires a Surrender Value during the first five years, on receipt of intimation that you wish to surrender the policy during the first five years, the Fund Value including top-up Fund Value, if any, after deduction of applicable discontinuance charge, shall be transferred to the discontinued policy fund. The Surrender Value equivalent to the Discontinued Policy Fund Value shall become payable only after the completion of the lock-in-period. On surrender, after the lock-in period, the Surrender Value shall be at least equal to the Fund Value as on the date of surrender
Free Look Period	You have a period of thirty (30) days beginning from the date of receipt of the policy document, whether received electronically or otherwise, to review the terms and conditions of the policy. If the policyholder disagrees to any of the policy terms or conditions, or otherwise and has not made any claim, the policyholder shall have the option to return the policy for cancellation, stating the reasons for the same. Irrespective of the reasons mentioned, the Policyholder shall be entitled to a refund of the premium paid subject only to a deduction of proportionate risk premium for the period of cover and the expenses, if any, incurred by the Company on medical examination and stamp duty charges. In addition to the deductions above, the Company shall repurchase the units at the Net Asset Value (NAV) of the units on the date of cancellation.
